

ALLEGHANY COUNTY, NC
REQUEST FOR BIDS
FUEL OIL, OFF ROAD DIESEL & KEROSENE PURCHASES

Alleghany County, North Carolina is requesting bids to provide fuel oil, off-road diesel and kerosene fuel to County operations and programs on an annual basis. The following details each County operation / program, the type of service that is required by each County operation / program and the type of fuel that was utilized by each County operation / program in a calendar year.

Department of Social Services (DSS) – Crisis Fuel Assistance Program

This program supplies heating fuel oil and kerosene in emergency situations to individuals in the County who cannot afford the fuel purchase. Individuals who need this assistance must apply at DSS. Once it is determined that these individuals qualify for the assistance, DSS employees will directly order the fuel from the successful bidder. The maximum amount supplied to any individual home annually will not exceed \$600. This fuel is supplied on an as-needed basis. Since this oil / kerosene must be supplied in emergency situations, same day or next day response will be required. The successful bidder must demonstrate the capacity to deliver this service. Alleghany County's present and past experience with vendors' delivery of this service will be taken into consideration when awarding the contract. If it is determined that the lowest bidder is unable to provide this service, the contract may be awarded to the vendor who can provide these services.

Transfer Facility

Located at 431 Osborne Road, Sparta, NC. The transfer facility uses off-road diesel. The tank size is approximately 1,000 gallons. This fuel is supplied through an automatic fill-up procedure. The successful bidder will be required to supply fuel in a manner that will ensure that the tank will not become empty.
