(A) Unless proof of a current rabies vaccination can be furnished, every person who either adopts or redeems a dog or cat at the animal shelter will be given a “proof of vaccination notice” at the time of redemption or adoption. This notice will be stamped with a date stating the maximum time limit allowed to take the dog or cat to the veterinarian of their choice for a rabies vaccination. The time limit for dogs and cats four (4) months old and older will be seventy-two (72) hours, weekends and holidays excluded. For animals younger than four (4) months, the time will vary.

(B) The “proof of vaccination notice” will be completed by the veterinarian and returned to the Animal Control Office by the animal owner or keeper.

(C) Payment for all veterinary services will be the responsibility of the owner or keeper.

(D) It is required each animal be spayed or neutered, at owner’s expense, to aid in the stray animal population.

Section 14. ADOPTION OR DESTRUCTION OF OWNER-SURRENDERED ANIMALS.

(A) Any animal surrendered by its owner to the Animal Control Department may be immediately placed for adoption, or humanely destroyed when:

(1) The owner directs, in writing, that the animal be placed for adoption or humanely destroyed, for form, See Appendix 1; and

(2) The owner affirmatively represents in writing that he or she is in fact the legal owner of said animal; and

(3) The owner agrees that he or she will indemnify and hold the Animal Control Department or county harmless for fees, by reason of the destruction of, or placement for adoption of, said animal; and

(4) The owner transfers ownership of said animal to the Animal Control Department and releases the department from any and all future claims with respect to said animal.

(B) Upon receiving aforementioned assurances, the Animal Control Department may rely on the same and place said animal for adoption, or destroy said animal, as it sees fit.

Section 15. ADOPTION OR DESTRUCTION OF UNREDEEMED ANIMALS.

(A) If an impounded animal is not redeemed by the owner or keeper within the period specified in Ordinance for the appropriate situation, it may be destroyed in a humane manner, or shall become the property of the animal shelter and offered to a responsible citizen willing to comply with prescribed adoption procedures.

(B) During periods of emergency rabies quarantine invoked pursuant to this Ordinance, no animal shall be adopted if it is a stray unclaimed by its owner or keeper, except by special authorization from the Appalachian Health Department Director.

Section 16. VIOLATIONS.

(A) Enforcement of this Ordinance may be by appropriate equitable remedy, injunction, or order of abatement issuing from a court of competent jurisdiction pursuant to North Carolina General Statute § 153A-123(d) and (e).

(B) In addition to, and not in lieu of the criminal penalties and other sanctions provided by this Ordinance or North Carolina General Statutes, a violation of this Ordinance may also subject the offender to the civil penalties hereinafter set forth.

(1) Such civil penalties may be recovered by the county in a civil action in the nature of debt or may be collected in such other amounts as prescribed herein within the prescribed time following the issuance of notice for such violation.

(2) Such notice shall include:

(a) State upon its face the amount of the penalty if such penalty be paid within Seventy-two (72) hours from and after the issuance of the notice and the late fee (\$1.00 per day) if paid more than Seventy-two (72) hours after its issuance.

(b) Notify such offender that a failure to pay the penalties within the prescribed time shall subject such offender to a civil action in the nature of debt for the stated penalty plus an additional penalty in the amount of Twenty-five Dollars and Zero Cents (\$25.00), together with the cost of the action to be taxed by the court.

(c) Further provide that such offender may answer the notice by mailing the notice and stated penalty to the Animal Control Department at its mailing address, or by making payment to the Animal Control Department at the appropriate address, and that upon payment, such case or claim and right of action by the county will be deemed compromised and settled.

(d) State that such penalties must be paid within Seventy-two (72) hours from issuance of such notice. Such notice shall further state that if such notice of violation is not paid within Seventy-two (72) hours, court action by filing a civil complaint for collection of such a penalty may be taken.

(C) The Animal Control Department is authorized to accept such payments in full and final settlement of the claim or claims, right or rights of action which the county may have to enforce such penalty by civil action in the nature of debt.

Acceptance of such penalty shall be deemed a full and final release of any and all such claims, or rights of action arising out of such contended violation or violations.

(D) The notice of violation referred to herein may be delivered to the person violating the provisions of this Ordinance in person or may be mailed by certified mail to the person at his last known address.

(E) Criminal penalties may be charged to an individual in violation of any section of this Ordinance, as provided by the North Carolina General Statutes, including but not limited to § 14-163, 14-163.1, 14-360(a), 14-360(a1), 14-360(b), 14-361.1, 14-362, 14-362.1, 14-362.2, 14-362.3, 14-363, 14-363.2, 15A-1340.23, 15A-1340.17, 15A-1340.16, 15-1, 19A-46(a), 19A-48, 67-2, 50B-3(a)(8)-(9), 67-4.3, 67-12.
