- (c) If a current County employee is chosen for promotion, the Department Head shall forward the employee’s name to the HR Officer with reasons for such promotion for selecting the employee over other applicants. Such a demotion shall be preceded by the warning procedures outline in Article VII, Section 8.

Section 15. Transfer

If a current County employee is chosen for a transfer to another department, the Department Head shall forward the employee's name to the HR Officer with reasons for such transfer. After considering the Department Head's comments, the HR Officer shall make a recommendation to the County Manager regarding the transfer.

ARTICLE V. CONDITIONS OF EMPLOYMENT

Section 1. Confidential Matters

Upon employment with Alleghany County and as a condition of continuing employment, the County requires that all employees (including temporary employees) agree to protect the confidential affairs of the County. Disclosure of confidential information is prohibited and may result in disciplinary action up to and including immediate discharge. Unauthorized disclosure of another employee's payroll or medical information may lead to action up to and including termination of employee(s) involved. The County policy is not to discuss payroll, personnel or related issues with spouses of employees. Any inquiries should be made directly by the employee.

Alleghany County demands that no employee should discuss any information about the County affairs to anyone other than County employees that are authorized to receive such information.

Section 2. Workweek

Full-time employees normally work five (5) eight (8) hour days per workweek and are subject to the overtime provisions set forth in Article III, Section 9. Employees in administrative, professional, or managerial positions shall work the number of hours necessary to ensure the satisfactory performance of their duties. Emergency Medical Services and Law Enforcement workweeks vary from the normal workweek. Deputies and jailers will normally work 86 hours per a two-week period. Dispatchers will normally work 80 hours per a two-week period. EMS employees work 24-hour shifts, but the workweek is based on 80 hours per two-week period.

When the activities of a particular department require some other schedule to meet work needs, the County Manager may authorize a deviation from the normal schedule.

Any alternate work schedules from the basic work week as described above, will be approved by the County Manager on a department-to-department basis.

Section 3. Gifts and Favors

- (a) No official or employee of the County shall accept any gift, whether in the form of service, loan, thing or promise from any person who to the employee's knowledge is interested directly or indirectly in any manner whatsoever in business dealings with the County.
- (b) No official or employee shall accept any gift or thing of value in excess of \$50, or favor that may tend to influence that employee in the discharge of duties, or as a "thank you" for your service or job well done.
- (c) No official or employee shall grant in the discharge of duties any improper favor, service, or thing of value.

Alleghany County Personnel Policy
July 1, 2023

Nominal gifts that are provided to a department or group of County employees, such as lunch, fruit baskets, cookie tins, candy assortments, etc., may be accepted provided they are approved by the Department Head and made available to all the employees in the department or group. This policy is not intended to prohibit customary gifts or favors in circumstances where it is clear that the relationship rather than the official business of the individual concerned is the motivating factor for the gift or favor.

Section 4. Code of Conduct/Hatch Act Policy

No employee, officer or agent of the County shall participate in the, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when the employee, officer, or agent or any member of his or her immediate family, his or her partner or an organization which employs or is about to employ the above mentioned, has a financial interest in the firm selected for award.

Section 5. Political Activity Restricted

Each employee has a civic responsibility to support good government by every available means and in every appropriate manner. Each employee may join or affiliate with civic organizations of a partisan or political nature, may attend political meetings, may advocate and support the principles or policies of civic or political organizations in accordance with the Constitution and laws of the State of North Carolina and in accordance with the Constitution and laws of the United States of America. However, no employee shall (1) engage in any political or partisan activity while on duty; (2) use official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office; (3) be required as a duty of employment or as a condition for employment, promotion, or tenure of office to contribute funds for political or partisan purposes; (4) coerce or compel contributions for political or partisan purposes by another employee of the County; or (5) use any supplies or equipment of the County for political or partisan purposes.

Competitive service employees and employees in certain federally aided programs are subject to the Hatch Act as amended in 1975. This federal act, in addition to prohibiting (2), (3), and (4) above, also prohibits candidacy for elective office in a partisan election. Any violation of this section shall subject such employee to dismissal or other disciplinary action.

Section 6. Outside Employment

The work of the County shall take precedence over all other occupational interests of employees. Before accepting outside employment, each employee must report all outside employment for salary, wages, or commission, and all self-employment, in advance to the employee's supervisor, who in turn must report it to the department head. The department head will review such employment for possible conflicts of interest and decide whether to approve the outside employment. All outside employment requires written approval by the dept head and the County Manager. Failure to obtain prior approval is a violation of policy.

Alleghany County Personnel Policy
July 1, 2023

The approval will be retained in the employee's permanent personnel file. If approved, outside work shall not interfere with the employee's regular work schedule and performance, nor will such work be done on County time. If attendance or work performance is determined to be compromised by outside employment, approval for outside employment may be withdrawn. Time requested off for any outside employment will be limited to 10 (ten) working days in one month, consecutive or non-consecutive, and 20 (twenty) total days for a calendar year.

Outside employment will not be approved if it involves an actual conflict of interest, a potential conflict of interest, or the appearance of a conflict of interest. Outside employment will not be approved if it might cast the County in a negative light. Impermissible conflicts include, but are not limited to:

- a. working for an employer who is in conflict with the County or could likely come into conflict with the County;
- b. working in a position that creates potential liability against the County;
- c. working in a capacity which could affect the decisions of the employee in the normal course of his or her duties, or the decisions of other County employees in the conduct of their duties, or which gives the appearance of such influence.

Engaging in conflicting or **unreported** outside employment shall subject the employee to disciplinary action up to and including dismissal.

Section 7. Limitation of Employment of Relatives

The employment of relatives can cause various problems including but not limited to charges of favoritism, conflicts of interest or perceived conflicts of interest, family discord and scheduling conflicts that may work to the disadvantage of both the employer and employees.

- (a) Members of an immediate family shall not be employed at the same time if such employment would result in an employee directly or indirectly supervising a member of the immediate family.
- (b) This policy shall not be retroactive, and no action will be taken concerning those members of the same family employed in conflict with (a) above prior to the adoption of this policy.
- (c) Immediate family is defined for the purpose of this section as spouse, mother, father, guardian, children, sister, brother, grandparents, grandchildren, niece or nephew plus the various combinations of half, step, in-law, and adopted relationships that can be derived from those named.

Alleghany County Personnel Policy
July 1, 2023

- (d) The Board of Commissioners shall approve the appointment by the Sheriff or the Register of Deeds of a relative by blood or marriage or nearer kinship than first cousin as required by Chapter 153A-103 (1) of the North Carolina General Statutes.

Failure to advise the County of the existence of one of these circumstances may result in a withdrawal of an offer of employment or discharge from employment.

Section 8. Possession of Firearms While on Duty

No employee of the County, except those specifically authorized by the County Manager and properly credentialed to carry a firearm, shall carry firearms while on duty for the County.

Section 9. Americans with Disabilities Act

Alleghany County is an equal opportunity employer and seeks to maintain full compliance with the Americans with Disabilities Act. The County makes reasonable accommodations available for any known physical or mental limitations of an otherwise qualified applicant or employee. The disabled applicant or employee is responsible for informing the County Manager of the necessary accommodations required as a result of the person's disability. The County will work to accommodate the needs of disabled employees in the work environment whenever possible, until such accommodation constitutes an excessive financial burden on Alleghany County.

Section 10. Safety

Safety is the responsibility of both the County and employees of the County. It is the policy of the County to provide for an ongoing program that assures a safe, healthy work environment for all employees, and complies with all occupational safety laws and regulations. To that end, each Department Head shall be responsible for:

- (a) providing safe work procedures and environments; encouraging employees to report unsafe work conditions and submit safety suggestions;
- (b) informing and training employees of policies and procedures required in the Alleghany County Workplace Safety Program at the time of hire
- (c) make recommendations to the County Manager on means in which the County can further promote workplace safety.

Likewise, each County employee shall be responsible for:

- (a) reading, understanding and acknowledging receipt of Alleghany County Workplace Safety Program at hire
- (b) taking proper care of safety equipment;

Alleghany County Personnel Policy
July 1, 2023

- (c) wearing proper clothing and safety gear;
- (d) knowing the location and use of fire extinguishers, the location of fire exits, and the quickest means of reporting a fire;
- (e) promptly reporting all accidents and injuries;
- (f) notifying their supervisor/Department Heads of what are believed to be unsafe practices and working conditions.

Section 11. Alcohol and Controlled Substance Testing

It is the policy of Alleghany County that the workplace shall be free of the presence of alcoholic beverages or illegal drugs and that employees shall perform their job assignments safely, efficiently, and without the adverse influence of alcohol or controlled substances.

Alleghany County has established the Alleghany County Substance Abuse Policy. The policy is designed to encourage employees to use legal drugs responsibly, and to prohibit the use of alcohol and/or controlled substances. The policy is in full compliance with the Drug-Free Workplace Act of 1988. All eligible employees will become knowledgeable about the Substance Abuse Policy and its contents at the time of hire.

Section 12. Harassment

The County will not tolerate any form of employment discrimination or harassment in any form and prohibits conduct which illegally discriminates or harasses on the basis of age, sex, race, color, religion, national origin, disability, or any other reason prohibited by law.

Illegal discrimination or harassment may take a variety of forms, and supervisory personnel and department heads should, if they have any doubt about whether particular conduct constitutes illegal discrimination or harassment, therefore err in favor of reporting such conduct to the Human Resources Officer and/or the County Manager. Any manager who is or becomes aware of any form of workplace harassment must immediately report it to the Human Resources Officer or the County Manager.

By way of example, sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: 1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; 2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or 3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Other examples of harassment include displaying or using objects or pictures which adversely reflect on a person's age, race, sex, religion, color, national origin, or disability, or

Alleghany County Personnel Policy
July 1, 2023

use of language, which is offensive due to a person's age, race, sex, religion, color, national origin, or disability.

Any employee asserting illegal discrimination or harassment may report it to his or her supervisor following standard grievance procedures or file a complaint directly with the HR Officer or the County Manager. It is crucial that employees report any harassment or discrimination to which they are subjected or of which they become aware. While the County is committed to a workplace free of harassment and discrimination, the County cannot ensure such a workplace unless employees do their part to report misconduct.

The County Manager, through the HR Officer, shall investigate any allegation of illegal discrimination or harassment and take whatever action he or she deems appropriate and necessary, up to and including dismissal of any employee engaging in illegal harassment and of any supervisor failing to properly report such conduct.

The County prohibits retaliation of any kind against an employee who reports discrimination or harassment or participates in an investigation of such reports. Violations of this policy are a serious violation and will be subject to disciplinary action, up to and including discharge.

Section 13. Professional Image Standard

This policy establishes guidelines for the appearance of County employees in the performance of their duties and in conducting business for the County. It ensures all County employees project and maintain a positive public image. There are certain expected norms of professional appearance, personal neatness, cleanliness, and good grooming which are applicable to all County employees.

County employees are expected to represent the County in an exemplary manner both in conduct and appearance. County employees should be well-groomed and dressed in a manner suitable for public service with an identifying name badge, and in attire that allows the employee to work comfortably in the workplace.

While the County observes a business casual dress environment, there may be situations requiring more formal attire. If you are conducting or attending a meeting, seminar, conference, etc., where you come in contact with other business professionals or customers, you are expected to represent the County in a professional manner and dress appropriately. This also applies when such events occur on "Casual Fridays". Departments, units, or divisions of Alleghany County may establish more specific guidelines consistent with this Professional Image Standard.

Minimum Guidelines

- All clothing should be neat, clean, and in good condition in keeping with the nature of the duties performed.
- Any clothing with words, terms or pictures that may be offensive to other employees is unacceptable. Clothing that promotes alcoholic beverages, tobacco, controlled substances, violence, or is of a sexual or political nature is inappropriate.

All employees who participate in Casual Fridays, events, or job specific duties that deter from normal business wear, shall adhere to the above policies for t-shirts and denim jeans.

Department heads, with the day-to-day knowledge of their respective department and operations, will make the final decision regarding grooming.

Section 14. Travel

Authorization—Travel on official county business out-of-state by any official, officer or employee must be authorized by the Board of Commissioners. Travel on official county business within the state requiring an overnight stay must be approved by the County Manager, except that overnight travel by Commissioners, County Manager and the County Attorney must be approved by the Chairman of the Board of Commissioners. All other travel within the state by an employee must be approved by the employee's department head, or in the case of department heads, by the County Manager.

Employees must make every effort to travel in a county vehicle rather than their own vehicle.

Transportation—A County vehicle along with a gas card will be provided whenever possible. In the event that a county vehicle is unavailable; the employee will be reimbursed at the current IRS standard mileage reimbursable rate for business travel for use of their personal vehicle. Mileage for travel shall be paid for the shortest usually traveled route. Any travel by air, sea or rail shall be in coach class, and must have prior authorization by the County Manager.

Alleghany County Personnel Policy
July 1, 2023

The above individual meal limits are only effective when the trip qualifies for one meal per day. If the trip qualifies for two or three meal reimbursements for one travel day in accordance with this policy, then the total reimbursable amount for those two or three meals may be combined for that day. This combined amount may be used to reimburse the employee any amount for each meal not to exceed the combined amount for that day.

Tips and other gratuities are to be accounted for within the per diem meal allowance but cannot exceed 15% of the meal costs.

When an employee travels on official County business requiring an overnight stay the per diem meal allowance is the same as outlined in (a)-(c).

Meals will not be reimbursed that are included as complimentary meals on the agenda with any class/course/event registration even if the employee opts to dine elsewhere. A copy of the agenda must be provided with each reimbursement request.

Receipts will be required for all meals not to exceed three meals daily and the receipt must be the original detailed receipt showing all purchased items, **not a credit card receipt.**

All reimbursement receipts shall be turned into the Finance Office no later than 30 calendar days after the date of travel or meal to be reimbursed. Any receipts not submitted by the deadline of 30 calendar days will not be reimbursed by the County under any circumstances.

Lodging - When travel requires an overnight stay, County employees are expected to check lodging rates in the area of their travel and make arrangements for the most economical and safe lodging available. Specific dates of lodging must be listed on the reimbursement request and corroborated by a receipt from the lodging establishment.

Any other entertainment expenses, such as the cost of in room movies that are included with the lodging bill will not be reimbursed.

County employees will be reimbursed either gas or mileage while using personal vehicles for out of county travel, but not both.

Associated Fees - The County will pay for any fees associated with travel such as registration, license, tuition and course materials when attending job related training programs. These fees should be requested as an advancement to the Finance Department at least ten (10) working days prior to actual need.

Employees traveling for the County shall keep an accurate record of their expenses and their times of departure and arrival to and from the destination. No reimbursement will be paid without proper travel authorization and receipts for lodging and other travel expenses including meals.

Section 15. Computer, Email and the Internet

Use of Email. The email system is intended for official County business. Although you may use the email system occasionally for personal messages, you must exercise discretion as to the number and type of messages you send. You must also ensure that your personal use of the email system does not interfere in any way with your job duties or performance. Any employee who abuses this privilege may be subject to disciplinary action. Email usage must be able to survive public scrutiny and/or disclosure. Users must avoid accessing sites that might bring the public service into disrepute, such as those that carry offensive material.

Personal Use of the Internet. Use of the internet must comply with the following:

- a. Users must comply with all applicable laws and regulations and must respect the legal protection provided by copyright and licenses with respect to both programs and data. Any illegal use of the internet is prohibited.
- b. Internet usage must be able to survive public scrutiny and/or disclosure. Users must avoid accessing sites that might bring the public service into disrepute, such as those that carry offensive material.

Software Use. It is the County's policy to use licensed software only in accordance with the terms of its license agreement. Violating a license agreement is not only unethical, it is also illegal and can subject the County to criminal prosecution and substantial monetary penalties.

Guidelines on Posting. You are legally responsible for content you post to the internet, in a blog, social media site or otherwise. You can be held personally liable for defaming others, revealing confidential information, and copyright infringement, among other things.

All County's policies apply to anything you write in a personal blog, post to the internet, or upload to the internet including personal posts. Personal posts to any social media platform or the internet should not be done during working hours. The only exception is the County department-based accounts, or any reciprocal information from a County department-based account posted to a personal account for public informational purposes only.

Any personal posts during work hours may subject the employee to disciplinary actions up to and including dismissal.

Please keep in mind that your personal postings will be read not only by your friends and family, but possibly by your coworker and supervisors, as well as county residents. Even if you post

anonymously or under a pseudonym, your identity can be discovered relatively easily. Use common sense when deciding what to include in a post or comment. Don't say something that you wouldn't want these people to read.

Section 16. Cell Phone Usage

Employees are responsible for the safety and integrity of any cell phone issued to them by the County. Employees should set up passwords to ensure the protection of information. Tik Tok and other similar social media sites are prohibited on County provided cell phones or computer devices of any type.

The use of a County owned cell phone for personal reasons is discouraged. Personal use must be brief and infrequent. Employees who are issued a cellular phone understand that the phone/devices are issued for business use. Cellular phone bills are reviewed when they arrive. Any employee abusing their cell phone privileges may have their phone taken away from them and may be subject to disciplinary action.

Regardless of if a cell phone is County owned or personally owned by the employee, personal calls and texting during work hours can interfere with employee productivity. Therefore, employees are asked to make personal calls and text on non-work time. Supervisors are expected to monitor cell phone usage of their employees and all County business related information is subject to review if needed.

To ensure the effectiveness of meetings, cell phones should be placed in the 'silence' or 'vibrate' mode or turned off.

Employees are not allowed to wear ear buds or headphones attached to their cell phones during business hours. Exceptions may be granted by the Department Head in those cases where the noise level in the work environment exceeds the volume controls of the phone and the employee has a legitimate business need to utilize the cell phone.

Under no circumstances may employees use County cell phones to send or receive any material that might be considered offensive including but not limited to pornography, comments or images which could be considered offensive to someone based on sex, race, religion, national origin, age, disability, or genetics.

Leave may be paid out with final paycheck or following the employee's final paycheck, depending on the timing of paperwork submission to the Finance Office.

Employees are cautioned not to retain excess accumulation of annual leave until late in the calendar year. Due to the necessity to keep all County functions in operation, large numbers of employees cannot be granted annual leave at any one time. If an employee has an excess leave accumulation during the latter part of the year and is unable to take such leave because of staffing demands, the employee shall receive no special consideration either in having annual leave scheduled or in receiving any exception to the maximum accumulation.

Sick leave earned by permanent employees having a workweek with fewer hours than the basic workweek shall be determined in accordance with the formula set forth in Section 20 of this article. The department head may advance sick leave to an employee who has exhausted sick leave because of a major operation or illness. This advanced sick leave shall not exceed the amount an employee can earn during the current calendar year

At the time of an employee's separation, any sick leave owed the County shall be deducted from the employee's final compensation.

Section 14. Sick Leave-Maximum Accumulation and Separation

Sick leave will be cumulative for an indefinite period. If an employee terminates employment with the County with no means of transfer or retirement avenues for their accumulated sick leave, the employee shall be paid \$2 per hour up to 240 hours for unused sick leave upon separation.

Section 15. Sick Leave-Physician's Certificate

The employee's supervisor, department head or the Human Resources Officer may require a physician's certificate stating the nature of the employee's illness and the employee's capacity to resume duties when an employment-related basis exists for requesting such information. An employment-related basis exists for such a request when the supervisor, department head or HR Officer deems the information necessary to ascertain the health of the employee in order to:

1. Prevent employees from working when they might endanger their health or safety or the health or safety of other employees or members of the public; or
2. Prevent abuse of leave privileges by an employee.

Section 16. Sick Leave-Retirement Credit for Accumulated Sick Leave

All sick leave shall be applied towards retirement in accordance with the North Carolina Local Government Employees' Retirement System guidelines.

Section 17. Sick Leave – Previous Leave Credits

Sick leave credits accumulated by each county employee shall be retained as of the effective date of this policy.

Section 18. Sick Leave – Transfer of Sick Leave from Other Employment

Employees appointed to positions in County government from positions in other jurisdictions belonging to the: (1) North Carolina Local Governmental Employees' Retirement System (2) Law Enforcement Officers' Benefit and Retirement Fund (3) North Carolina Teachers' and State Employees' Retirement System or (4) other affiliated North Carolina governmental retirement systems may request that their accumulated sick leave be transferred. The maximum amount to be considered will be 500 hours. Any extraordinary circumstances of a sick leave transfer will be presented to the County Manager by the HR Officer for consideration. All approvals must be made by the County Manager. A written verification from the previous employer is required before the sick leave hours can be credited. Verification must be received within sixty (60) days of the employee's employment date.

If an employee leaves employment with Alleghany County and returns within twelve (12) months, upon written request sick leave will begin at the remaining balance from previous employment.

Section 19. Sick Leave Share Policy – Transfer of Sick Leave Between Employees

The County Manager or Human Resource Officer may permit a regular full-time employee to receive sick leave donations from other qualifying employees, due to circumstances that are extraordinary or severe in nature that may result in an employee using all accumulated sick leave. A sick leave sharing form for donating sick leave to an employee in need will be completed confidentially with the HR Officer. The HR Officer will inform all employees, while withholding the other employee's name, of such need for a donation.

Section 20. Calculation of Annual Leave and Sick Leave

Holiday leave, annual leave, and sick leave earned by permanent employees having a workweek of greater or fewer hours than the basic workweek shall be determined in accordance with the following formula:

- (a) The number of hours worked by such employees shall be divided by the number of hours in the basic workweek.
- (b) The proportion obtained in step (a) shall be multiplied by the number of hours of leave earned annually by employees working the basic workweek.
- (c) The number of hours in step (b), divided by twelve, shall be the number of hours of leave earned monthly by the employees concerned.

Section 21. Leave Without Pay – Policy

A permanent or probationary employee may be granted a leave of absence without pay for up to six (6) months by the appointing authority. The leave shall be used for reasons of personal disability, after both sick leave and annual leave have been exhausted, continuation of education, special work that will permit the County to benefit by the experience gained or the work performed, or for other reasons deemed justified by the appointing authority.

The employee shall apply in writing to the supervisor/Department Head for leave. The employee is obligated to return to duty within or at the end of the time determined appropriate by the appointing authority. Upon returning to duty after being on leave without pay, the employee shall be entitled to return to the same position held at the time leave was granted or to one of like classification, seniority and pay. If the employee decides not to return to work, the supervisor/Department Head shall be notified immediately. The supervisor/Department Head shall report this decision to the appointing authority. Failure to report at the expiration of a leave of absence, unless an extension has been requested, shall be considered a resignation.

Section 22. Leave Without Pay – Retention and Continuation of Benefits

An employee ceases to earn leave credits on the date leave without pay begins. The employee may continue to be eligible for benefits under the county's group insurance plans, subject to any regulations adopted by the Board of Commissioners and the regulations of the respective insurance carriers. However, the employee shall reimburse ALL insurance premiums during the period of leave without pay including county provided insurance and any voluntary deductions the employee may have if the employee does not receive a regular paycheck during a calendar month. Payments are due to the Finance Office on a monthly basis.

Section 23. Workmen's Compensation Leave

An employee absent from duty because of sickness or disability covered by the North Carolina Workmen's Compensation Act, may receive Workmen's Compensation benefits and elect to use accumulated annual and sick leave as supplemental payment for the difference between his regular salary and the payments received under the Workmen's Compensation Act. Such an employee may have deducted from his accumulated annual or sick leave that fraction of a day which is the same as the fraction that the supplemental payment for one day is of a regular day's pay only to pay for voluntary employee deductions. Upon reinstatement, an employee's salary will be computed on the basis of the last salary earned plus any increment or other salary increase to which the employee would have been entitled during the disability covered by Workmen's Compensation. Employee will not accrue regular leave unless partial pay is granted to cover deductions. Leave will be accrued proportionately in relation to granted leave used.

All voluntary employee deductions must be paid to the Finance Office on a monthly basis while under Workmen's Compensation leave.

Temporary employees will be placed in a leave without pay status and will receive all benefits for which they may be adjudged eligible under the Workmen's Compensation Act.

Section 24. Family and Medical Leave Act

The Family and Medical Leave Act (Herein referred to as FMLA) of 1993 was passed by Congress to balance the demands of the workplace with the needs of families, to promote the stability and economic security of families, and to promote national interests in preserving family integrity; to minimize the potential for employment discrimination on the basis of sex by ensuring generally that leave is available for eligible medical reasons (including maternity-related disability) and for compelling family reasons; and to promote the goal of equal employment opportunity for women and men. The County will grant up to 26 workweeks (960 hours) of leave during any single 12-month period to care for a service member or 12 workweeks (480 hours for a regular full-time employee, 674 hours for EMS, and 504 hours for LE) of leave during any single 12-month period for the birth or adoption of a baby, or the care of employee's own or close family member's serious health condition. The leave may be paid annual or sick leave, unpaid leave, or a combination of paid and unpaid leave. Worker's compensation leave may also be designated by the County as family and medical leave, thereby reducing the family and medical leave available. When an employee uses paid leave during the family and medical leave, the employee's balance of accrued annual and/or sick leave is reduced concurrently with the balance of family and medical leave. Additional time away from the job beyond the twelve-week FMLA period may be approved in accordance with *Article VI, Section 21*.

(A) Eligible Employees

Permanent Employees. An employee who has been employed with Alleghany County Government for at least one (1) year and who has worked at least 1,250 hours during the past twelve (12) work months is entitled to a total of twelve (12) work weeks or four hundred eight (480) hours, paid and/or unpaid, leave during any twelve-month period for one or more of the reasons listed below:

Family and medical leave can be used in the following circumstances or for the following reasons:

- a. the birth or adoption of a child in order to care for that child;
- b. the placement of a child with the employee for adoption or foster care;
- c. to care for a spouse, child, or parent with a serious health condition;
- d. because of any qualifying exigency arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation, or
- e. for a spouse, son, daughter, parent, or next of kin to care for a service member, or
- f. the serious health condition of the employee.

Alleghany County Personnel Policy
July 1, 2023

A serious health condition is defined as a condition which requires in-patient care at a hospital, hospice, or residential medical care facility, or a condition which requires continuing care by a licensed health care provider for a condition of a serious and long-term nature, resulting in recurring or lengthy absences. Generally, a chronic or long-term health condition which results in a period of incapacity of more than three days is considered a serious health condition.

(B) Spouses Employed by County

If a husband and wife are employed by the county, the aggregate number of work weeks of Family and Medical Leave for the couple is limited to a total of twelve (12) work weeks during any twelve (12) month period where such leave is taken pursuant to the provisions in (a) (1) and (a) (2) above.

Temporary Employees. This policy is not intended to cover, and does not cover, temporary employees since the maximum length of a temporary appointment is one (1) year; however, if by exception, a temporary employee is extended beyond one (1) fiscal year, the employee would be covered if he or she had worked at least 1,250 hours during the past twelve-month period. Any leave granted to a temporary employee would be without pay.

Section 25. Family and Medical Leave Act – Birth of a Child

An employee taking leave for the birth of a child may use paid sick leave for the period of actual disability, based on medical certification. Assuming adequate accrued annual leave time, the employee may then use all paid annual leave for the remainder of the twelve-week period. If the employee has insufficient accrued leave time to cover the entire twelve-week period, the employee may take unpaid leave for the remainder of the twelve weeks.

Section 26. Family and Medical Leave - Request.

The request for the use of FMLA leave must ordinarily be made in advance and in writing by the employee and approved by the HR Officer and County Manager. In an emergency situation, the request for the use of FMLA leave must be made as soon as reasonably practical. On its own initiative, the County may designate leave as FMLA.

The leave will be paid or unpaid leave.

Employees shall be entitled to receive their continued health benefits under the County health benefits plan during the twelve (12) work week or four hundred eighty (480) hours leave period. Leave without pay beyond the twelve (12) work week period will be administered under the Leave Without Pay Policy (Article VI. Section 21).

Alleghany County Personnel Policy
July 1, 2023

After the period of leave, pursuant to this policy, if the employee does not intend to return to work, the County should be notified immediately. Failure to report at the expiration of the leave, unless an extension has been requested, may be considered and treated as a resignation.

Certification

In order to qualify for FMLA leave for a serious health condition of the employee, or the employee's spouse, child or parent, the employee must provide the County with medical certification from the employee's or the family member's physician. The certification must include the date when the condition began, its expected duration, diagnosis, and a brief statement of the treatment required or expected. For the employee's own health condition, it must state that as a result of the condition, the employee is unable to perform the essential functions of his/her position. For a seriously ill family member, the certification must include a statement that the patient requires assistance and the employee's presence is necessary.

In order to qualify for FMLA leave to care for a service member, the employee must provide a certification issued by the health care provider of the service member being cared for by the employee that the service member is in need of care by the employee.

An employee seeking FMLA leave because of any qualifying exigency arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation must provide a certification, in a timely manner of such active duty or impending call to active duty.

This certification should be furnished at least thirty days prior to the needed leave unless the employee's or family member's condition is a sudden one, in which case the certification must be furnished as soon as possible, but no later than fifteen days from the date of the employee's request. The certification and request must be made to the department head, and the HR Officer.

Section 27. Family and Medical Leave - Return to Work.

An employee taking FMLA leave for a serious health condition or the serious health condition of a spouse, child or parent is expected to return to work at the end of the leave period stated in the medical certification, unless the County has approved additional unpaid leave or the use of available sick or annual leave.

Prior to an employee returning to work after an FMLA leave, the employee's supervisor, department head, or the HR Officer may require a physician's certification that the employee can safely resume employment and has regained the ability to effectively perform the essential functions of the job. An employee who returns to work after an FMLA leave will return to the same job, if available, or a job with equivalent status, pay, benefits, and other

Alleghany County Personnel Policy

employment terms and requirements. The position will be the same or one which entails substantially equivalent skill, effort, responsibility, and authority.

Section 28. Military Leave

Permanent employees who are members of the National Guard or Armed Forces Reserve will be allowed fifteen (15) workdays for military training leave annually with partial compensation. If the compensation received while on military leave is less than the salary that would have been earned during this same period as a county employee, the employee shall receive partial compensation equal to the difference in the base salary earned as a reservist or guardsman and the salary that would have been earned during this same period as a county employee. The effect will be to maintain the employee's salary at the normal level during this period. If such military duty is required beyond these fifteen (15) workday periods, the employee shall be eligible to take accumulated annual leave or be placed in a leave without pay status. While taking military leave with partial pay or without pay, the employee's leave credits and other benefits shall continue to accrue as if the employee physically remained with the County during this period. Permanent employees who are guardsmen and reservists have all job rights specified in the Uniformed Services Employment and Re-employment Rights Act. (USERRA)

All voluntary employee deductions must be paid to the Finance Office on a monthly basis while under any approved Military leave without pay status.

Section 29. Civil Leave

A County Employee called for jury duty or as a court witness for the federal or state governments or a subdivision thereof, may receive leave with pay for such jury duty during the required absence without charge to accumulated annual, sick, or petty leave. If you are summoned for jury duty, please make scheduling arrangements with your supervisor as soon as you receive summons or subpoena. Employees must provide verification of a subpoena, and/or the time spent in court.

An employee may keep fees/stipends received for local jury or witness duty. The County will provide the difference between pay received by a court for jury or witness duty and an employee's regular day's pay. Documentation from the court system verifying paid amount is required in the Finance Office for employees not to be charged time away from work for summoned duty.

An employee may keep travel allowances for any out-of-county jury or witness duty required.

While on civil leave, benefits and leave shall accrue as though on regular duty.

Section 30. Civic/Volunteer Leave

Employees who are members of organizations which provide for the common good of the citizens of Alleghany County may be allowed to take leave during working hours to fulfill duties within these organizations. Examples of such organizations include the volunteer fire department and the rescue squad. Employees may only take such leave when it is approved by

Alleghany County Personnel Policy

their department head or supervisor, and only when leave does not interfere with regular County business. Employees must notify their supervisor/Department Head upon leaving and returning, and an accurate accounting will be noted at the following pay period.

Section 31. Educational Leave with Pay

A leave of absence at full or partial pay during regular working hours may be granted to an employee to take one (1) course which will better equip the employee to perform assigned duties upon the recommendations of the department head, and with the approval of the appointing authority. An employee may receive reimbursement for one (1) course at a time taken outside of working hours which will better equip the employee to perform assigned duties, subject to the approval of the department head and the County Manager or appointing authority. The County shall reimburse the employee for tuition, fees, and books for the course, provided the employee submits a receipt of course expenses and a notice of successful completion (passing grade or better) of the course.

Educational leave at full or partial pay for a period not to exceed twelve (12) calendar months may be granted to an employee to take a course that will better equip him to perform assigned duties upon recommendation of the department head and the appointing authority with the approval of the Board of Commissioners. An employee granted such educational leave with pay shall agree to return to the service of the County upon completion of training and remain in the employ of the County for a period equal to twice the educational leave received, or the employee shall reimburse the county for all compensation received while on educational leave.

An employee on educational leave with full pay shall continue to earn leave credits and any other benefits to which county employees are entitled. An employee on educational leave with partial pay shall earn proportional leave credits.

Section 32. School Leave

State Law requires all employers to grant four (4) hours per year of unpaid leave for parents to attend activities at their child's school. School leave may only be taken with the prior approval of the employee's supervisor/Department Head.

Section 33. Administrative Leave

Leave with pay may be authorized by the County Manager for purposes considered to be in the public interest, in cases of severe weather or civil disturbances, or in such other circumstances as good judgment and common practice would dictate. **Employees in essential operations may be required to work when operations are officially closed. Employees who must work in these situations will receive compensation beyond regular pay, up to a maximum of five (5) days per year off with regular pay.**

ARTICLE VII. SEPARATION, DISCIPLINARY ACTION AND REINSTATEMENT

Section 1. Types of Separation

All separation of employees from positions in the service of the County shall be designated as one of the following types and shall be accomplished in the manner indicated: resignation, reduction in force, disability, retirement, dismissal, or death.

Section 2. Resignation

An employee who has successfully completed six (6) months of the probationary period will normally be paid for accumulated annual leave upon separation, subject to the 240-hour maximum, provided proper notice is given to the Department Head at least 2 weeks in advance of the effective date of resignation. Any employee failing to give the notice required by this section or not returning all-county related/issued property shall forfeit payment of accumulated leave.

Any money that is owed to the Alleghany County due to taxes, fees, reimbursements, insurance, etc. will be deducted from the final accumulated leave check. The notice requirement may be waived by the County Manager when deemed to be in the best interest of the County. All final annual leave check disbursements may be issued by paper check or direct deposit.

Once an employee has decided to resign, the employee should notify his or her immediate supervisor of the decision and the anticipated last day of employment. The supervisor will give the employee notice that the resignation has been accepted. The employee will not be able to rescind the resignation after it has been accepted. The supervisor will then forward all information including a personnel action form with last day of employment to the HR Officer.

Section 3. Reduction in Force

In the event that a reduction in force becomes necessary, consideration shall be given to the quality of each employee's past performance, organizational needs, and seniority in determining those employees to be retained. Employees who are laid off because of a reduction in force shall be given at least two (2) weeks' notice of anticipated lay-off. No permanent employee shall be separated while there are temporary employees serving in the same class in the department, unless the permanent employee is not willing to transfer to the position held by the temporary employee.

Section 4. Disability

An employee who, because of a physical or mental condition, cannot perform the required duties of the employee's job with reasonable accommodation may be separated for disability. Action may be initiated by the employee or the County but in all cases, it shall be supported by medical evidence as certified by a competent physician. The County may require an examination at its

Alleghany County Personnel Policy

Before an employee is separated for disability, a reasonable effort shall be made to locate alternative positions within the County's service for which the employee may be suited. The County shall comply with the intent rules and regulations of the ADA.

Section 5. Retirement

An employee who meets the conditions set forth under the provisions of the North Carolina Local Government Employee's Retirement System may elect to retire and receive all benefits earned under the retirement plan.

The department head along with the HR Officer shall provide the employee with a written notice including the recommended effective date, reasons for the action, and appeal rights available to the employee.

Section 8. Failure in Performance of Duties

An employee whose work is unsatisfactory over a period of time shall be notified verbally or written by the supervisor/department head and HR Officer in what way the employee's work is deficient, and what must be done if the work is to be satisfactory.

An employee who is suspended, demoted or dismissed for unsatisfactory performance of duties shall receive at least **two (2) written warnings** before disciplinary action is taken. Prior to any notice, verbal or written warning to the employee, a meeting must be scheduled with the HR Officer. The HR Officer will be present for all disciplinary actions of employees as a witness and attaining proper documentation for personnel files.

At time of first warning, verbal or written, a conference will be conducted with the employee in which all the information contained in the warning is explained and documented. The warning must detail the reasons why the warning is issued, corrective action which must be taken by the employee, the time frame in which the corrective actions must be accomplished and possible consequences for failure to accomplish the required corrective actions. In the event that the employee's job performance does not improve, and a second warning is warranted, the supervisor and/or department head must follow the same procedures described above. If this is a second written warning, the second warning presented will include corrective action that must be taken immediately in order to avoid further disciplinary actions or may include **immediate dismissal**. The supervisor and/or the department head must record the dates of their discussions

Alleghany County Personnel Policy

with the employee, the performance deficiencies discussed and the corrective actions recommended, and must file the information with HR in the employee's personnel folder.

The employee must be allowed at least ten (10) workdays to respond to the charges before any determination is made by the department head concerning a suspension or a demotion or a determination is made by the appointing authority concerning dismissal. The employee with a grievance or adverse action appeal shall present the matter orally or in writing to his immediate supervisor within ten (10) working days of its occurrence or within ten (10) working days of the time the employee learns of its occurrence, with the objective of resolving the matter informally. If the decision is not satisfactory to the employee in Step 1, or if they fail to receive an answer within the designated period provided in Step 1, they may file the grievance in writing within eight (8) working days with the department head, who shall hear the grievance and render a decision in writing within a maximum of eight (8) working days.

For employees in the Sheriff's Department and the Register of Deeds Office, there shall be no appeal beyond the decision of the respective department head.

Step Three. If the decision is not satisfactory to the employee in Step 2, or if they fail to receive an answer within the designated period provided in Step 2, they may file the grievance in writing with the HR Officer/County Manager (in appeals involving a general county employee) or the local board of the employee's department (in appeals involving a competitive service employee) within eight (8) working days.

In appeals involving a general County employee, the Board of Commissioners shall review the case data, consult with whatever sources it deems appropriate, and give an answer in writing within ten (10) working days with one copy sent to the employee by certified mail. There shall be no appeal from this decision by the Board of Commissioners. Employees subject to the jurisdiction of the North Carolina State Personnel Commission shall have the right to appeal to
